

My dear + dear

Nov 10 - 51

My dear Collier -

As you likely know the last of Oct. was very disagreeable and cold, for the time of year. But for about a week we have had lovely weather like spring.

My Mary-Jule and Dorothy think I am a little "off the beam" because I sent them birthday cards so far ahead of time. When I know their birthday is not until Monday the ~~twenty~~ (12). I wrote the cards and over to Mac intending not to mail them until later but they were picked up with the other mail and sent in so, if you think of it you might tell Mary-Jule and Dorothy when you see them.

I have already written Jack about Mac's. We thank you for inviting us to visit you and it would be fine if we could. We always enjoy being with you and when you are up here next summer - you and I can have some nice private visits in my new boudoir which is going to be very nice. I have all my little things in the wonderful order closets now and the decorating and floor are very attractive. I have
