TREE-TOPS --- GULL LAKE
BRAINERD, MINNESOTA

Feb 26 - 51

My dear Alice -

Your excellent letter, on my birthday, would have been a fine present, in itself. I was so glad to get it. Never the less I also thank you for the generous check and shall use it for some personal things like shoes etc. I also received a cuti and some Jammies with a beautiful handkerchief enclosed. She is a dear girl to remember me.

Our Jammies was a very cold month but Feb. has been the warmest month in years and we had, at this time of the year and snow and ice on lakes is melting fast and we may have an early Spring. Hope so for everyone around here wants to see a garden. Our young couple, who met our cottage are very nice and in all like them very much. Their little boy one year old, has now two teeth and is a just little fellow who has our Jesus. A little card today from Patsy our little Eskimo girl announces the arrival of their second boy.
