

we are much interested in your
new black hair coming in - I have
heard of that happening to some our
boys.

Don has the radio in livingroom
tuned in to the Minnisto - Illi.
basket ball game. So I went into my
bedroom and tuned in on the Kansas
Nets. game and when I found out
what station I had - imagine my
surprise in hearing the announcer
say "You are tuned to the Great Bend
Kans. station etc. It came in very
clearly and I was pleased at
the echo 66 K-453 Nets. I shall
be listening Monday night when
I hope K.U. beats M.U. I expect
the Kans. Aggies will be the toughest one
I'd of love to see you both - and
I may write you tomorrow.
