

The weather has been ideal -  
but we still haven't been able  
to get into the field at  
Berrington to do any work. It  
just doesn't dry out -

There is not much news.  
Dad is busy as usual - he  
won't be down to the game this  
week but sent our tickets, &  
Mary and Charlie - they will  
probably go if the weather is nice  
and Mary feels well enough.

Love & regards and hope  
you are keeping well but  
not minding any more.  
Much love  
Janet
