

news.

May Beth says she is fine  
except for the "growing bulge" -

It was nice for Daphn Jr.  
& he home if even for a short  
time. He hope things will go well  
for him -

He will probably be down  
for the down state - N. H. June  
two weeks from tomorrow on Sept. 29  
He have had our tickets & indeed  
for some time but have not  
yet received them. Will let you  
know again if and when he  
are coming.

Take care of yourself and  
use your own good judgment  
about over exertion - He enjoyed  
one time at the lake with you  
and we glad you found it pleasant.  
Must stop and fix something  
& eat as the boys will be in  
before long.  
Much love  
Janet
