

a few days after he enrolls
again from tomorrow.

I did a big washing
Saturday and another one
today. Whites are hanging
in the basement -

Mac has gone to a meeting
of the city council. I have
developed a head cold and
runny nose so am going
to bed as soon as I finish
this.

He enjoyed the time
at the lake very much -
It was nice for Mary but
to be there and Mac
enjoyed his short stay
too. We hope the trip
gone wasn't too hard
