Dear Janet,

I know that Mac must be very busy right now with legal work but that is something that he enjoys and also finds profitable. I think you must have jarred Mike up because the other day he phoned me, which was the first time I had heard his voice in several weeks. I don't hold this against him because the University requires a lot of its students and he has always tried to make good grades.

As you know, Dolph Jr. graduates the coming commencement and naturally looks forward to military service. John, as a prospective football player, is going through some rather heavy drilling these days.

You may know that Dolph and Marie left last evening for New York to be gone for ten days or two weeks. He will attend the annual meeting of the Associated Press of which he is first Vice President. Everything is running along smoothly at the office.

Irene and Leslie will leave me with the close of the school year, but they have been somewhat on the look out for someone else to take their place.

I shall be glad to have you come down as often as you can.

Lots of love,

WCS:en
