Dear Mr. Simons,

I received the book "The Yankee Exodus" by Stewart Holbrook, which you sent me, and wish to thank you very much for it. I have a good start at reading the book and am enjoying it. I have read very little about this phase of history and so I find it very interesting. I am more anxious than ever to take a trip east this summer which our family has been contemplating for several months.

Our second semester started this week and we have a new school superintendent. I have him for a Biology course. We are entered in the Lancaster County basketball and volleyball tournaments next week. I hope we'll make a good showing.

We certainly enjoyed having you with us at Christmas time and hope we can all be together again. We want you to know that you are always welcome at our house.

Sincerely,  
Jean Dibble
