Mr. Frank H. Roberts
Lawrence, Kansas

Dear Frank:

It was mighty nice of you to remember me and it makes me remember that we have been friends for a long, long while. Hester, who never wanted to be known by his first name, was our good friend. I presume Nina is still here but I seldom see her.

You are probably home by this time and Lawrence never looked prettier. Best of wishes to you and yours.

Sincerely,

W. C. Simons
