Dear Callie:-

I send you this evening from the Haulcy Haws Co. at Council Bluffs, 16 prescriptions all in one pkg. that I paid \$7.⁰⁰ for including the postage, which is more than it will cost us when we get our own goods of course, but it was the best I could do at present. I also sent you a \$2.⁰⁰ carton from Henderson which I paid for, I also ordered 200 pounds from Henderson since I cannot trust & tell them to send you the bill with them as I did not know what he would put them up for. I dislike to get them put up by every druggist in the country as they should start from Lawrence & no where else. We must have them patented Callie for our own protection. It is mighty hard to trust any body in this grasping world, & I know men that have been obliged to go 50-50 with sneaks that preyed on them. Let us be careful. I would like to
