

## UNION PACIFIC SYSTEM

UNION PACIFIC RAILROAD COMPANY

FILE NO. \_\_\_\_\_

there is nobody that I would trust  
as far as I could throw a bull  
elephant but your self.

There are  
some cheap things on the market  
but they are not complete prep-  
arations and will not do what  
ours will. This medicine should be  
given 1 hour after meals but could be  
given in 1/2 hour if the stomach was  
distressed. Write to me at Silver City  
I have <sup>two</sup> large prescriptions for some parties  
in Silver City.

Very truly your disgrace  
unwilling.

A S Gentry

P.S.

I would mightily like to appear  
but am exercising a mightily control  
over my self
