2nd Lt. Dolph C. Simons, Jr., 055013
1st Training Battalion, Camp Barrett
Co. "A", Marine Corps School
Quantico, Virginia

Dear Dolph,

In thanking you yesterday for the Christmas present, I neglected to include the fine World Atlas that I received from you. This is a dandy book to have and I certainly appreciate it, but I think you must have blown yourself on your old grandad.

Lots of love and best wishes and I'll be very happy when you become a regular member of the force.

Lovingly,

Grandad
