Dear Dolph,

I spent several hours yesterday reading the book you gave me, "Meet The Master", and found it intensely interesting. I appreciate the book very much coming from you and now I appreciate it also for its excellency.

As you know, I have always been very fond of you and proud of your ability in so many ways.

Not very much in the way of news. The weather is rather pleasant and the snow is mostly gone.

Lovingly,

Your grandad
