Mrs. Carl Olander
Wichita, Kansas

Dear Eileen:

I have just written a fairly long letter to Marilyn and I shall enclose a copy to you as it is all the news.

I presume I shall go to our cabin in Minnesota again this summer, but it will never seem the same without Gertrude. She enjoyed it so much. She was four years younger than I, and yet it has been more than three years since she passed away.

I am always glad to hear from you and will be glad to have you visit me whenever you can. Give my love to Carl and to that darling boy.

Lovingly,

Grandad
