Dearest Dad.

Everything O.K. here.

No news, only wanted to say  
hello, & tell you I still love  
you.

Love from Denver.

Reilly, has been here all  
week & we have been together  
nearly every day & enjoying  
it. The weather has been  
raining & dismal.

I hope you are all rested  
up & feeling good. Ken  
Gault is glad to have spring  
here & get your road dried up  
I hope they finish that  
building project soon.

Your many friends here are  
always asking about you. We  
were with Dr Wallace last  
night & saw always ask  
much love - Blanche.
