Mrs. H. F. Johnson  
Wymore, Nebraska

Dear Dorothea,

I was very glad to get your letter of February 19, and I think that you are quite a remarkable young woman in keeping young and up to date in spite of your fine family of boys and husband.

I am sorry that you did not attend the wedding of Dolph Jr. and Pam. It was a mighty pretty affair and you would have enjoyed not only the ceremony, but meeting their friends.

I notice you use the long spelling of Elinor, although Mrs. Scott uses the form I have just used.

I know that you are happy with your handsome and energetic husband. I have always been very favorably impressed by him. I think it is too bad that you were not blessed with some daughters, but you certainly have three fine sons.

I shall be very happy to have you and the family come down anytime you can.

Lots of love to all,

Dad
