Mr. and Mrs. Don A. Freeman
Route 6
Brainerd, Minnesota

Dear Grayce and Don,

I have your good letter of the 17th and am awfully sorry to know that Don has been sick. I have never had trouble with boils or carbuncles, although when I was a boy batching it with grandfather when I was eleven years old, I had a breaking out on my left thigh that at that time was called dry ulcers. I do not know what caused the trouble, but I gave it home treatment and did not have a doctor look at it. My treatment must have been good because the trouble has never recurred.

I am sure that Monica was a wonderful help to you while Don was sick. She is a mighty nice little girl and I am so happy that she is with you. Give her my best wishes.

Last Friday was the birthday of two VIPs, George Washington and yourself. Enclosed you will find a small check for a birthday present.

It is too bad that sickness kept you away from Dolph's wedding as I am sure you would have been delighted with his choice. Pam is a darling girl and they certainly make a most attractive couple. The wedding was beautiful and I was very happy that I was able to attend. Blanche was there and she and I came home on the plane together as far as Kansas City.

I hope that Don is now in good health.

Lovingly,

Your brother
