Dear Janet,

Your frequent visits although short are greatly appreciated, and I think it is mighty nice that Mac is willing to spare his homemaker every now and then.

I am getting rather anxious to see my little blue-eyed great grandson again. How his great grandmother would have loved him!

Everything is moving along at home with plenty of mud in front of our house, through which we have been able to get in and out so far without too great difficulty.

Lovingly,

Dad
