Dear Janet,

I leave by air this afternoon for Rochester, Minnesota to attend Dolph Jr.'s wedding. I am in hopes that other members of the family will also be able to go. I think it mighty fine that a boy and girl, both of fine character and physically fit, should be wed. Of course, Dolph's future is insecure on account of the war.

We are through with housecleaning at home and everything appears to be ship shape. Come on down and help muss it up!

Lovingly,

Dad
