The weather has been perfect for us, - and the country is so beautiful here. We don't know for sure now, just how long we will be here, but we hope to be able to return to Lawrence before too long.

Dolph is pleased with his duties at the marine base and seems to enjoy his work very much.

We want you to know how pleased we both were that you were able to come to our wedding. It meant so much to both of us to have "our" grandad there. I'm sorry I didn't get to see more of you then, but I hope a few days ago after a wonderful trip out here through western Kansas, Colorado, New Mexico, Arizona (Grand Canyon) and on thru Hoover Dam and Las Vegas, Nevada. It was a wonderful trip and we certainly saw a great deal of the West. Now we are getting settled in Laguna Beach - have a very nice apartment near the ocean and not to far from Dolph's Marine Base. We truly love California and can easily see why so many people never wash to leave here once they come.
