Mr. Phillips,
South Shore State Bank,
2634 East 75th Street,
Chicago, Illinois.

My dear Mr. Phillips:-

I enclose herewith letter from Mr. Urbain
as per our conversation and you will note that he intends to start
building in November.

I trust this is satisfactory and I should
like to have you notify me so I may drop in and close out the in-
terest that is due, the first month having passed as of the 22nd
of September.

Yours sincerely,
