Kansas is rich in history and
it is not confined to the Civil
war days.

Surely time enough has passed
to permit an historian to write
a modern history of the state.
Nearly 78 years have passed since
the close of the Civil war.

What better project could
the Women's Clubs of Kansas ~~do today~~
sponsor today than the
publication of a concise
but adequate history of Kansas?

Kansas had many writers of
prose and poetry in the 19th
century - Are we keeping the
pace? I have here a little
booklet "Kansas Writings in Literature"
but it is dated 1915 - 27 years
ago.
