Dear Mr. Simons:

The Secretary reports receipt of your Certificate of Membership of the Kansas Society of Mayflower Descendants. Please accept our outstretched hand of welcome and fellowship.

Your initiation will be at the Annual Meeting and Banquet on November 21, probably at Topeka. We are hoping to make the celebration at that time especially interesting, though we have not made much progress in plans. When you have suggestions that might help for that or other good of the Society, please let us have them.

Yours cordially,

Frederic Newton Raymond
