Mrs. H. E. Don Carlos  
1605 Tenn. Street  
Lawrence, Kansas

Dear Mrs. Don Carlos:

I am in receipt of a letter from the Quartermaster's Corps of the War Department, which informs me that where a grave is not marked, a gravestone will be supplied, but inasmuch as the Buckley lot is already marked and we have placed upon it the emblem of the Daughters of 1812, I believe another marker would detract from, rather than add to, the marking of the grave.

Sincerely yours,
