Mrs. Ann Waller Reddy
1005 East Marshall Street
Richmond, Virginia

Dear Mrs. Reddy:

A recent letter received from the City Clerk of Girard, Illinois gives the date of the death of Jacob C. Buckley as June 14, 1886, age sixty-seven years, five months and fifteen days. By this, we figured that he was born January 30, 1819. As I doubtlessly have told you, the first wife of Jacob Greth Buckley was Mary Elizabeth Seeders.

If you feel that this lead will be of any value to you in securing data in regard to Doctor John Buckley, the father of Jacob Greth Buckley, you may proceed with your investigation. If not, I shall turn the matter over to the American Historical Company, Inc. of 80-90 Eighth Avenue, New York, New York whom I have engaged to prepare copy for the publication of the Geanealogical record.

Respectfully yours,

WCS:ebp
