the Wodell line, of course, but gives you the Boomer line back to the immigrant ancestor, seven generations of that family, and also establishes your descent from Richard Warren, a passenger on the "Mayflower". Will you check this with your authorities in the event of its raising any question in your mind.

We have enjoyed greatly working with your excellent material, and appreciate to the full the intelligently directed labor that it represents.

Trusting that the above is interesting to you and along the lines of your expectations,

Sincerely
THE AMERICAN HISTORICAL COMPANY, Inc.
