Mr. W. C. Simons  
The Lawrence Journal-World  
Lawrence, Kansas

My dear Mr. Simons:

I can't tell you how much I appreciated your thoughtfulness in sending to Mrs. Malott and me the fascinating volume of your genealogy. I was most interested in the tracing of your lineage to such distinguished forebearers and shall always cherish the volume as coming from you and with your signature which I shall place in my autographed book collection. It shall be a constant reminder of you, your many courtesies to me always, and your friendship which both Mrs. Malott and I have so enjoyed.

You were good to think of us.

Cordially,

Deane W. Malott
