Mr. Chester L. Shaw
The Star,
Kansas City, Mo.

My dear Shaw:

I think you know of the loss of our youngest son, John Louis, which came very suddenly on March 21st.

It takes a long while to settle down to routine after something of this sort enters your life and that is why your letter of March 20th was not answered before.

I have always liked you and have looked upon you as a man of ability and I have taken an interest in the growth of your little family. You can be sure that anything that I said to Mr. Kelley about you was spoken with sincerity.

Come in and see us whenever you are in the city.

Sincerely yours,

WCS-HM
