RESIDENCE.

P. O. ADDRESS.

claim cutting & carrying it to
mill 4 miles from Sargnum-field

We have been to the post-Office
Mon Wed & Fri every time for
5 weeks Uncle Louis has wrote -

a spell ago & promised to
send \$150.00 by express
We have had hot winds that

burned the Beans & we have
got no one to cut the millet.

Oct 15th It has been a long time
since I have written in this diary
I have been away working for six
weeks at Sargnum something I never
had to do before but it seemed best
at the time I worked hard and
had some unpleasant things to
put up with beside being away from
father and the dear children but
I think it will be an experience
in my life that will be for the
best I have been at home nearly
three weeks and worked out in
the field with father & the little
ones every day except this week
3 days we had rainy weather they
yesterday we worked but today the
wind has blown and it rained some
and was very cold and snowed a very
little just enough to kill snow on it was
that the 20th of this month we
received \$50. from Louis
