

ARVIN S. OLIN
PALO ALTO
CALIFORNIA

this week from a teaching service
of 61 years - 33 of them in Buchtel College
and its successor, the University of Akron

To a loyal Kansan, the sight of
these three men in their official
and academic regalia, and the
knowledge of their Kansan connections
seemed a quite reasonable
cause for a marked case of
chest expansion.

Yours sincerely

Arvin S. Olin.
