Mr. Charles d'Emery
Manugian Studios
South Norwalk, Conn.

Dear Mr. d'Emery:

We are enclosing a copy of a letter which was received this morning from the Eastman Kodak Company at Rochester, New York. This letter states that all of the films about which we have been corresponding with you were returned to you on April 7th.

We would appreciate knowing at once if you have received them now. Otherwise you will probably want to check this up with the Eastman Kodak Company.

This letter is being written during Mr. Simons' absence but we are forwarding copies of both letters to him at Route 3, Brainerd, Minnesota. If you wish, you may send your reply directly to him at the above address.

Very truly yours,

For W. C. Simons
