

³ I want to spend as much time as possible with you all and whenever I am here shall hope to have some of you with me. Remember your Packard cut it down to 186 miles last year - Give lots of love to Gustaf & his oh tesses. It is lovely and cool today - We were up early and Nanna and Zelah and Mary-Ann were here for breakfast. Julia writes me that Etile has well & with her - but oh we must have her over to Hummel Hills when we are all there. I love you big brother and appreciate your

² The picture of Jimmy covered yesterday and I think I will have mine tinted as we liked the one we sent very much. The post office called me yesterday - in trying to have the picture you sent me. You are such a dear to attend to everything so promptly - when I know the hundreds of demands on your time. I am so delighted that you are all coming north and can scarcely wait to see the new babies as well as the other ones.
