Mrs. E. M. Owen  
823 Kentucky Street  
Lawrence, Kansas

Dear Mrs. Owen:

During my absence the enclosed card came to our office. At least I presume it came in the mail, altho you may have left it here, but it was not until just now that I noticed that it had been addressed to the Douglas County Historical Society.

I am sending you herewith a copy of a letter I have just written.

Sincerely yours,
