

July 14, 1934

Mr. Ed Martindale,
Warsaw Times,
Warsaw, Missouri.

Dear Martindale:

Thank you very much for your letter
of July 13th with the promise of the old
Sharps rifle.

So far as I know there is to be no
special observance of the anniversary of
Quantrill's raid this year. It has been
so terribly hot that people can hardly
plan for anything unusual. We had quite
a celebration here on the 75th anniversary
of the founding of Lawrence.

Sincerely yours,
