Miami Beach , May 23.

My Dear Dolph:

When we received the sad news about your father, we wanted to phone you but decided you and Marie would be so busy - so sent a wire.

You both know of course that our hearts have been filled with sympathy ---and that we have wished that we could do something to lift your burden - just a little.

Your father was such a fine man -- and so kind to me on many occasions. He was a great inspiration to you -- and I know that he had tremendous satisfaction in seeing you, Dolph, grow up with such a good reputation and with such respect in the entire country.

We are leaving here Sunday for Kansas --- our car will look like a moving van. Expect to be in Junction City next Friday and will look foreward to having you and Marie with us on June fourth. Will phone you before that time, though.

Most sincerely,

John W.
