June 2, 1952

Mr. W. Verne Wilkin
Union Central Life Insurance Co.
1010 Dwight Building
Kansas City 6, Missouri

Dear Verne:

Thanks for your kind and sympathetic note about father's death. I know how you feel in referring to school days because I remember how pleased mother and father were whenever any Phi Psis would come out to the house for a visit. Father had a good, long life and fortunately he was spared much suffering in his last illness.

With all good wishes, I am,

Sincerely,

Dolph Simons
