

THE DEDICATION OF THE NATIVITY WINDOW
IN LOVING MEMORY OF WILFORD COLLINS AND GERTRUDE SIMONS
ROGATION SUNDAY - MAY 22, 1960

In the Name of the Father, and of the Son, and of the Holy Ghost.
Amen.

V. Shew thy servants thy work;

R. And their children thy glory.

V. O ye spirits and souls of the righteous, bless ye the Lord;

R. Praise him, and magnify him for ever.

V. Glory be to the Father, and to the Son, and to the Holy Ghost.

R. As it was in the beginning, is now, and ever shall be, world with
out end.

The Lesson: Isaiah 54: 12 and 13

And I will make thy windows of rubies and thy gates of emeralds, and
all thy border of pleasant stones. And all thy children shall be
taught of the Lord: and great shall be the peace of thy children.

The Lord be with you;

And with thy Spirit.

Let us pray.

O God, whose blessed Son Jesus Christ was incarnate by the Holy Ghost
of the Virgin Mary that we might become the children of God: Grant,
we beseech thee, that being made partakers of the divine nature of
thy Son, we may be conformed to his likeness; Who liveth and reigneth
with thee and the Holy Ghost, now and ever. Amen.

O Almighty Father, Lord of heaven and earth, the entrance of whose
word giveth light; Vouchsafe, we beseech thee, to accept this Window
at our hands for the adornment of thy house and the praise of thy
holy name; and grant that they who worship here, being drawn by the
love and contemplation of the Incarnation, may be conformed to the
image of thy dear Son, to whom, with thee and the Holy Ghost, be all
honor and glory, world without end. Amen.

In the faith of Jesus Christ and to the glory of God, we bless + and dedicate + this Nativity Window. In the Name of the Father, and of the Son, and of the Holy Ghost.

Blessed be thy name, O Lord, for that it hath pleased thee to put it into the hearts of these thy servants, the children and grandchildren of Wilford Collins and Gertrude Simons, to offer this gift for thy worship: Remember them, O Lord, for good, and grant that all who shall enjoy the benefit of this pious work may show forth their thankfulness to thee by making a right use of the same; Through Jesus Christ our Lord. Amen.

Remember these thy servants, Wilford Collins and Gertrude, O Lord, according to the favour which thou bearest unto thy people, and grant that, increasing in knowledge and love of thee, they may go from strength to strength, in the life of perfect service, in thy heavenly kingdom; through Jesus Christ our Lord, who liveth and reigneth with thee and the Holy Ghost ever, one God, world without end. Amen.

Now unto the King of kings and Lord of lords, who only hath immortality, dwelling in the light which no man can approach unto, whom no man hath seen nor can see, to him be honour and power everlasting. Amen.

I cannot say, and I will not say
That he is dead, - he is just away!
With a cheery smile, and a wave of the hand,
He has wandered into an unknown land,
And left us dreaming how very fair
It needs must be, since he lingers there,
And you, O you, who the wildest yearn
For the old-time step and the glad return;
Think of him faring on, as dear
In the love of there as the love of here;
Think of him still as the same, I say:

2. In any event the Company shall not be liable for damages for mistakes or delays in the transmission or delivery, or for the non-delivery, of any message, whether caused by the negligence of its servants or otherwise, beyond the actual loss, not exceeding in any event the sum of five thousand dollars, at which amount the sender of each message represents that the message is valued, unless a greater value is stated in writing by the sender thereof at the time the message is tendered for transmission, and unless the repeat-message rate is paid or agreed to be paid, and an additional charge equal to one-tenth of one per cent of the amount by which such valuation shall exceed five thousand dollars.

3. The Company is hereby made the agent of the sender, without liability, to forward this message over the lines of any other company when necessary to reach its destination.

4. Except as otherwise indicated in connection with the listing of individual places in the filed tariffs of the Company, the amount paid for the transmission of a domestic telegram or an incoming cable or radio message covers its delivery within the following limits: In cities or towns of 5,000 or more inhabitants where the Company has an office which, as shown by the filed tariffs of the Company, is not operated through the agency of a railroad company, within two miles of any open main or branch office of the Company; in cities or towns of 5,000 or more inhabitants where, as shown by the filed tariffs of the Company, the telegraph service is performed through the agency of a railroad company, within one mile of the telegraph office; in cities or towns of less than 5,000 inhabitants in which an office of the Company is located, within one-half mile of the telegraph office. Beyond the limits above specified the Company does not undertake to make delivery, but will endeavor to arrange for delivery as the agent of the sender, with the understanding that the sender authorizes the collection of any additional charge from the addressee and agrees to pay such additional charge if it is not collected from the addressee. There will be no additional charge for deliveries made by telephone within the corporate limits of any city or town in which an office of the Company is located.

5. No responsibility attaches to this Company concerning messages until the same are accepted at one of its transmitting offices; and if a message is sent to such office by one of the Company's messengers, he acts for that purpose as the agent of the sender.

6. The Company will not be liable for damages or statutory penalties in the case of any message except an intrastate message in Texas where the claim is not presented in writing to the Company within sixty days after the message is filed with the Company for transmission, and in the case of an intrastate message in Texas the Company will not be liable for damages or statutory penalties where the claim is not presented in writing to the Company within ninety-five days after the cause of action, if any, shall have accrued; provided, however, that neither of these conditions shall apply to claims for damages or overcharges within the purview of Section 415 of the Communications Act of 1934.

7. It is agreed that in any action by the Company to recover the tolls for any message or messages the prompt and correct transmission and delivery thereof shall be presumed, subject to rebuttal by competent evidence.

8. Special terms governing the transmission of messages according to their classes, as enumerated below, shall apply to messages in each of such respective classes in addition to all the foregoing terms.

9. No employee of the Company is authorized to vary the foregoing.
