My. Simons: -

I wish to express my sincere sympathy to you, that thus had strong. Your father had a fervent life. He was also of the D.O.G. as my husband was a P.G., but the body here overlooked sending members of Lodge here to his funeral, although his membership was unknown to us. This was a Charter member of the P.O.E.

Sincerely,

840, Ky. Mrs. Ina-H. Reber.
