Dear Dolph:

I was very sorry to learn from this morning's newspapers that your father had passed away. Please accept my deepest sympathies and those of Kansas State College. I did not have the privilege of knowing your father personally. However, I have heard him often referred to as one of the first citizens of our State. I am sure he had a host of friends and admirers not only in Kansas but throughout the nation.

Sincerely yours,

James A. McCain
President
