Dear Mr. & Mrs. Simons,

Carol and I were extremely sorry to hear of your father's passing and want to extend our sympathy. I know your loss is felt by many many others as your father's life represented a living example of what a man's existence on earth should be. His accomplishments are certainly to be admired, but very few men can couple these with the sense of righteousness and values he possessed.

I hope your family is well and that Dolph is getting along well in the Marine.

Sincerely,

Carol and Dick Keene

Mr. & Mrs.
