Mr. Dolph Simons  
Lawrence Journal-World  
Lawrence, Kansas

Dear Dolph:

Margie and I were deeply saddened to read yesterday of the death of your father.

Lawrence and the State of Kansas has lost one of their great leaders. All who knew your father gained much from his advice and leadership and from the pattern of life which he led. His was a full life and one of which I know you have been proud.

Yours sincerely,

*Paul Masoner*
