

THE UNIVERSITY OF KANSAS
LAWRENCE

OFFICE OF
THE CHANCELLOR

May 15, 1952.

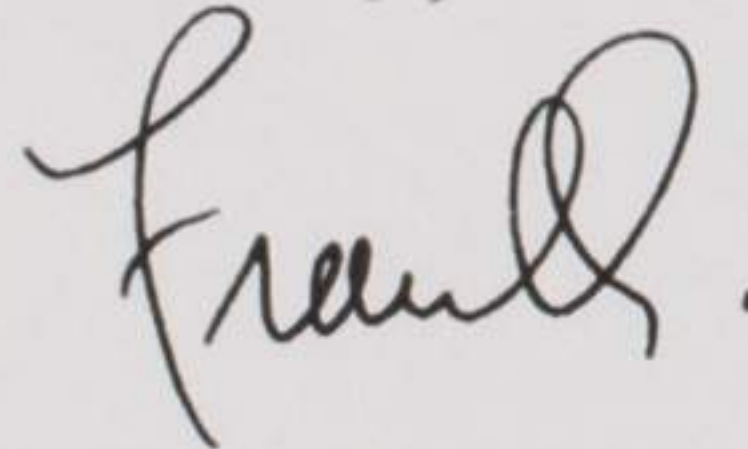

Mr. Dolph Simons,
1509 Massachusetts Street,
Lawrence, Kansas.

Dear Dolph:

I was terribly distressed to hear this morning of the passing of your father. Of course, in compensation for this loss one is able to remember the full, productive and creative life which he lived.

It is difficult to comment at a time like this, but I am sure you realize that all of us are thinking of you with sympathy, appreciation, and respect for the kind of example set by your father as he lived his life.

Sincerely,

Franklin D. Murphy.
