Dear Dolph:

The entire community has suffered a great loss in the passing of your father. On Friday, May 16th, I visited the Historical Room in the City Building, and there I saw many things and many records which shows the interest your father had in his community.

I came away from my few hours of retrospect on Lawrence with a feeling that we will have a tough time measuring up to the standards depicted by men like your father.

May God bless and be with you and the rest of your family during your hours of grief and in the future. You have a great and dignified heritage to look back on.

Very Sincerely,

E. R. Look
