

about Mr. Simons passing way.
He was in my book, one
of the best friend & employer
I have ever known.

To me he was one of the
finest examples of manhood this
country ever possessed.

Please convey to Delph and
the rest of the family my heart-
felt sympathy!

again thanking you, and I'll
be looking forward to seeing you
in June, I remain

your friend
R.H. Trivett
