Dear Dolph

It was with a great deal of sorrow that I read of your fathers death in the Chicago Daily News, and then my uncle sent me a clipping from the Kansas City Star containing the article.

I know that anything I can say will not ease the ache in your heart, but to me he was the most wonderful person that I have ever met. If we could give as much of ourselves as he did I am sure we would have a much fuller and richer life. I cannot help but feel that his death is a great loss, not only to his family, but to a very great many people, whom he had come in contact with. I know that he took a great deal of pride in having a son like you Dolph, that was able to carry on the business that he had put so much into.

Give my love to Blanche, Janet and Dortha and my kindest personal regard to you.

Most sincerely

Minnie
