... is easier with a NEW ELECTRIC RANGE!

Young appetites put a constant burden on mother's cooking time. Shorten her day and make "chow time" a pleasure for her, too, with a new electric range. And you can cook better meals too. Oven temperature controls let you accurately follow recipes. Broilers adjust exactly as you want them. Top burners can be set to boil, brew, simmer or fry . . . just any speed you need. And you can work in cool comfort in your kitchen, because these modern electric ranges are heavily insulated. Stop in at your nearest appliance dealer or The Kansas Power and Light Company. See the beauty and convenience of the new range that belongs in your kitchen!
