I expect to go to Chicago next week and have a good time as I did at Philadelphia.

But again I want to repeat that I am delighted with your letter and with Mac's attitude, because I think that his course is very constructive if we are going to beat the new deal. And from all the fellows I understand that he was a powerful influence for our mutual friend Payne in the last campaign, and has been very active for Frank Carlson and the other fellows we know so well.

With kindest regards and best wishes, I am

Sincerely,
