Mr. Dolph Simons

Lawrence, Kansas

Dear Dolph:

Thank you very much for your letter of the 3rd instant. I surely am glad to know you are able to be up and out again, and since I have been in myself for a few days, I can surely sympathize with you. My cold is just about well, and I will soon be out again.

I surely appreciate having your opinion on the appointment of Harold Snider. He came highly recommended, and I believe he will do an excellent job.

With very best wishes, I am

Sincerely,

*Payne Ratner*
