Hotel Phillips
Kansas City, Missouri

Gentlemen:

Enclosed is a cashier's check for \$80.00 from the Lawrence National Bank payable to the Hotel Phillips to cover two insufficient fund checks for this amount cashed recently at the hotel by Guy Glasscock of Hutchinson.

This check is sent to you following a long distance conversation with your office this afternoon at which time I was told the total amount due was \$80.00.

Yours very truly,

Dolph Simons
