Mr. Carl Nordlund
Auburn, Nebraska

Dear Carl:

I know the folks would be pleased to be "toasted" at their dinner Monday evening, and it has been suggested that I speak for the children, Marilyn Maloney for the grandchildren, and you for the others present. I hope you will do it because no one could do it better.

So far I haven't planned anything, but it probably will be something along the usual pattern for toasts. We are glad you are coming and will try to be on time when the train pulls into Leavenworth.

Love to all,
